

Departing from Port Ginesta, this yacht is ideal for trips to Barcelona, Costa Brava and Balearic Islands

The Beneteau GT50 is an impressive and modern yacht of 16 meters. Its design makes the comfort in navigation a reference in this type of yachts.

This yacht accommodates up to 12 guests (6 sleeping) with 3 spacious double cabins for overnight stays.

The **master cabin** is located aft of the yacht with all the amenities including its own TV and stereo and ample space with its own private bathroom.

The guest cabins are located forward with a double bed and amidships with two single beds each and their own bathroom.

With a complete galley including microwave, oven and dishwasher, you can enjoy a full service on board for both charter day and long cruises.

The boat has all the amenities to make your vacation unforgettable including a **spacious Flybridge** that allows you to enjoy a comfortable navigation and extraordinary views and garage with its own Jet Tender and all the nautical toys to make your stay a wonderful experience.

With its auxiliary **Jet Tender** you will be able to access the wonderful and exclusive caves of the Costa Brava or Balearic Islands.

Based in **Port Ginesta**, it is perfectly positioned for sailing to enjoy the Costa of Barcelona and Costa Brava in a unique and unrepeatably way or for visits to the Balearic Islands.

This Beneteau GT50 is the perfect platform for entertaining family and friends both for daily departures and for cruises to/from the Balearic Islands
